

Accession Contracts

The supreme law of our State is the AMPAG Law of Sankofa along with the Treaties acceded to, or which shall be entered into under the AMPAG Flag and Seal.

A Treaty is a contract, agreement, or other international accord accepted by the state parties.

For the sake of erudition a few terms require definition: Treaty, Accession, Accede, Charter, and Contract.

- **Treaty:** A compact made between two or more independent nations with a view to the public welfare, HCBLD 4th edition, page 1673. An agreement, league, or contract between two or more nations or sovereigns, formally signed by commissioners properly authorized, and solemnly ratified by the several sovereigns or the supreme power of each state. HCBLD 4th edition, page 1674.
- **Accession:** (International Law) The absolute or conditional acceptance by one or several states of a treaty already concluded between other sovereignties. Merl. Répert. It may be of two kinds: First, the formal entrance of a third state into a treaty so that such state becomes a party to it; and this can only be with the consent of the original parties. Second, a state may accede to a treaty between other states solely for the purpose of guarantee, in which case, though a party, it is affected by the treaty only as a guarantor. 1 Oppenheim, Int.L. sec. 532. See Adhesion. HCBLD 4th edition, page 29.

Such was the "Great Charter" or "Magna Charta," and such also were the charters granted to certain of the English colonies in America. HCBLD 4th edition, page 298.
- **Contract:** A promissory agreement between two or more persons that creates, modifies, or destroys a legal relation. An agreement, upon sufficient consideration, to do or not to do a particular thing. An agreement between two or more parties, preliminary Step in making of which is offer by one and acceptance by other, in which minds of parties meet and concur in understanding of terms. HCBLD 4th edition, page 394.

The Contracts listed herein have been acceded to and are for your study and reference. They are the law of the State, and we are organizing the AMPAG Government to be in alignment and compliance with these Contracts: Treaties, Conventions, Declarations, and the Charter of the United Nations.
